

HOTEL INDIGO

London Paddington

Together for the planet, every action counts.

We believe great stays should leave a lighter footprint.

.....
Greener Stay - Minimize environmental impact by choosing green and skipping daily cleaning.

.....
19°C is often considered the ideal temperature for a comfortable sleep.

.....
Use heating and air-conditioning with moderation and switch off when not in.

.....
Television and lights switched off means electricity off.

.....
Every drop counts - use water sparingly.

.....
One towel can be enough, even for several nights.

.....
Help us sort our waste responsibly.

.....
Here, we have stopped using disposable plastic.

.....
Ask our team about walking routes, public transport and the neighborhood around us.

.....
Stay curious.

Stay responsible.

Thank you for being part of our sustainability journey.
